Building Capacity to Improve Waste Systems at the National and Sub-National Level

MSW Initiative Meeting
31 March 2014
Capacity Building activities

- Participating City technical support
- City Exchange programme
- Initiative Meetings & Workshops
- Knowledge Platform
- Webinars
• Global & Regional (Vancouver, Mexico, Vienna, Surabaya, Paris)
• Extend and Develop our city & country network (*participating and mentor cities*)
• Provide Learning opportunities (*e.g. SLCPs & Waste, actions to reduce SLCPs, associated benefits of action, data collection, work plans*)
Initiative meetings & workshops

• Sharing of experiences, lessons learnt and identifying common challenges (*city presentations, break out sessions*)
• Exposure to new technologies and practices (*site visits*)
• Raised visibility of CCAC initiative (*Parallel events*)

Making the most out of MSW Meetings & Workshops

• Relevant and engaging programme
• Target regions
• More break-out sessions and emphasizing the need to create an environment conducive to natural networking and co-learning experiences
Knowledge Platform

- **Document & Resource Library**
  173 documents including factsheets, case-studies, reports and guidelines on waste technologies, governance, planning, financing, communication and outreach

- **Database Directory**
  Access to 33 databases providing support and information on Waste Management

- **What cities are doing**
  Profiles for 10 cities participating & mentor SLCP actions, data, waste practices, legislation, projects ...
Knowledge Platform

• **Ask an Expert**
  15 experts covering 9 themes

• **Discussion Forum**
  to share knowledge & experiences

• **Event presentations**
  all past CCAC events

Strengthening use of Platform

• Integrate initiative activities with platform
e.g. city work with city page

• Discussion forum, ideal place to share experiences
e.g. Forum to continue discussions of key issues b/w meetings,
Subscribe to keep informed

• Ask an expert
integrate with webinars & other training

• Announcements, Events, Case-studies ...
Please send info to:
Ylva.Engqvist.affiliate@unep.org;
rwilliams@iswa.org

• Promote Platform to your networks
Add link to your webpage

http://waste.ccac-knowledge.net/
Organic Waste Management & Treatment
(26 May & 9 June)
